Dear Superintendent Chuang,

The Social Responsibility Council at First Parish in Bedford is pleased to award a grant of \$1000.00 to the 2024 African American and Latino/a Tenacity Challenge. First Parish has been a strong supporter of the Tenacity Challenge for a number of years and we are pleased to once again be able to support this very worthwhile program.

We send our best wishes and thanks to all involved in making this program possible.

Best regards,

Marge Heckman  
Chair, Social Responsibility Council
