School Committee Student Representative 2022-2023

Elora Syed – Class of 2023

It is my pleasure to introduce Elora Syed as the new student representative for the School Committee. Elora is a senior at Bedford High School and is involved in many aspects of high school life.

Elora is part of the Varsity Bedford swim team and has served as the captain for the past two years. She is a four year member of the BHS volleyball team. Elora has participated in the Relay for Life and the Interact Club as she is passionate about cancer research and service. She also took karate for several years and has been a competitive swimmer for over a decade for a club swim team. She serves as a captain of that team as well.

Elora speaks Bangla and attends Bangla School. Her culture is an important part of her upbringing, so going to this school and learning about her Bengali heritage has been very important to Elora.

Elora made her school committee debut when she presented her History Fair Project which earned her and her team 2nd place at regionals and 1st place in the state competition.

Elora is currently navigating the college application process and believes in a balanced and healthy approach to high school life.
