Dear Mr. Conrad,

In appreciation of the many clients, we are privileged to service in Bedford, we are pleased to make this donation to the school department. Lueders Environmental is a Lawn, Tree & Shrub care company specializing in science based environmentally sound approaches and attentive customer service.

Contributing to your school department is a way we can give back to the Bedford community for considering us the company of choice. I always hope that in supporting education, other companies will join us. Please use these funds in any way you consider appropriate.

Sincerely,

Michael Lueders
President
