BEDFORD SCHOOL COMMITTEE

August 24, 2021

Live Virtual Online Meeting using Zoom™ Audio/Video Conference Software

** Due to the Covid-19 Crisis, this meeting was live-streamed over the internet using Zoom™ video/audio conferencing software in order to adhere with social distancing measures put in place by Governor Baker. This meeting was open to the public for live chat during Public Comment.

1. Call to Order

At 7:06 p.m., Ms. Scoville called to order the reopening of the Bedford School Committee meeting. Other members present included Mr. Brosgol, Ms. Guay and Mr. Morrison; each member stated their name in a roll call attendance. Ms. Santiago joined the meeting at 7:07 p.m.

Mr. Conrad started by saying that Commissioner Jeffrey C. Riley asked for authority from the Massachusetts Board of Elementary and Secondary Education that all public school staff and students aged 5 and above wear masks in the school buildings until October 1, 2021. The Board of Health also voted that all inside spaces, public and private schools must wear face coverings. Masking was mandated by both the BOH and DESE.

2. Comments from Public

Michaela McCormack Evergreen Avenue

Ms. McCormack believes that safety should be prioritized along with education. She suggested that Bedford proceeds with caution with the Delta variant and urged the School Committee to review distancing in the school buildings. She agrees with continued testing, ventilation and symptom checks.

Veneta Greenway METCO parent, Boston

Ms. Greenway wondered how far in advance of the October 1, 2021 deadline will parents be notified about an extension of the mask mandate. She asked if there were any plans in place for possible worst case scenario situations and stated that she would like to see testing continue.

Jeremy Kaznocha Dunster Road

Mr. Kaznocha asked the School Committee if there were details about the reopening plan. He hoped that Bedford would take the same precautions as they had the prior year and also hoped there would be proper distancing during lunch and snack time. He would like to see lunches served in the classroom for the upcoming school year.

4. Fall Reopening Plan 2021-2022

Mr. Conrad said that there is no formal written plan as there was the prior year. He said that protocols will continue and that with the two new mandates from DESE and the Bedford Board of Health, school staff and students will wear masks. Mr. Conrad said that school lunches will be held outside and then in the cafeteria with the exception of the Lane School, where lunch will be eaten in the classroom. Comingling will be discouraged and again this year, tents will be set up outside at JGMS. All buildings and additional spaces are in the process of being reviewed if needed as space for lunch. Student health and safety is being prioritized. Social distancing space will look different this year but building principals will be reviewing their buildings for additional options for spacing. Bedford will follow the DOE testing protocols to include pool and diagnostic testing. DESE is an opt-in program for testing and active/passive consent is a voluntary program. Active/passive consent is not an option if we choose the DESE program. On August 20th, an informational seminar was given to help students' access classroom learning from home if they find that they have to quarantine. There will be no remote learning allowed at this point in time.

5. Superintendent's Report

Mr. Conrad started by giving kudos to the METCO students who researched and planned a historical site visit to Nubian Square. He was excited and expressed his congratulations to the students. Mr. Conrad met with the command staff at Hanscom Air Force Base to discuss students of Bedford and Lincoln, he appreciated the opportunity to meet with the Commander, Colonel Katrina Stephens and her staff. He also mentioned that MIAA has a new executive director, Dr. Robert Baldwin saying that Dr. Baldwin has a vast knowledge base and brings a wealth of knowledge to the position.
