Dear Bedford Public Schools and Bedford Communities,

The School Committee, in conjunction with Mr. Glenn Koocher from the Massachusetts Association of School Committees (MASC), has scheduled a series of focus group sessions so that we may hear from various groups of interested people as we undertake our search for the next Superintendent of Schools. Mr. Koocher will facilitate the focus group sessions with the School Committee representatives from the Superintendent Search Subcommittee.

We have scheduled both an in-person and a remote session for our Bedford community, and a remote session each for our METCO and Hanscom AFB families. We have scheduled separate sessions for our METCO and Hanscom AFB communities to make sure there is ample time to discuss topics that may be uniquely important to those two groups. The METCO and Hanscom AFB communities are certainly welcome to attend the Bedford Community sessions.

The below Zoom link will be used for all the remote meetings:
