## **Davis and Lane School Bus Transportation**

August 31, 2021

Dear Parent / Guardian,

It is wonderful that so many parents and children are returning to the buses. Ridership is up! Thanks to so many of you for registering in advance to ride the Davis and Lane buses.

Bedford Charter has been training and preparing their bus drivers and they are ready and excited to get on the roads tomorrow. **All children at Davis and Lane bus stops can board the buses tomorrow, even if you have not yet registered** your child. Please just complete the [K-5 registration](#) as soon as you can.

**DAVIS:** All Davis riders have seat assignments and will be guided to their seats by their bus drivers, with the exception of Kindergarten students who will be given seat assignment information at Kindergarten orientation.

**LANE:** All Lane riders will be seated in groups by grade. Siblings have the option to sit together. This is a change from an individual seat assignment system for the Lane buses which has not been possible to implement exactly as initially planned due to the number of riders.

With registration, individual seating or grouped seating in place, the district is going above the [DESE required health and safety guidelines](#) for buses. And we are excited to have our yellow buses picking up your students tomorrow. Have a wonderful first day of school!
