

YEARBOOK

Why should you buy ad space in the Bedford HS yearbook???

Think it's just charity?

THINK AGAIN!

We print 450 yearbooks. The average yearbook is held by 26 people.

That's an audience of 11,700 people.

That's an ad that will run for 50+ years, and it won't be thrown away.

That's a business investment.

(And let's face it. Supporting the school doesn't hurt, either!)

- Your ad photos, business cards & text can be submitted on flash drive or hard copy via mail. **You can also email digital content to karen_santos@bedfordps.org.** You may include a rough sketch of the desired layout; if you choose not to, we will design your ad for you. While we do our best to accommodate your wishes, we will alter any submission if necessary to do what is best for the printing of the page.

- You may submit hard copy materials such as business cards, quality reproductions, JPEG images, TIFF images, PDF files, or PSD files (note that the resolution of all files must be 300dpi to print at desired size!) Please do NOT send in Word, PowerPoint, or Publisher files, as these do not work for professional printing.

- If you are submitting a fully designed ad on a flash drive, you **MUST** include a quality hard copy of your design in the event that we cannot use the digital file submitted.

- Please be sure to order the BHS yearbook, as well, in order that you might enjoy this ad for years to come! The Yearbook Staff thanks you in advance for all of your support!
